

Midway Pediatrics is actively recruiting a Pediatric Nurse Practitioner to add to our staff. We are a growing practice with deep roots in our community. Established 40 years ago, we are delivering care to meet the medical, developmental and behavioral needs of pediatric patients. Staff privileges at Advocate Children's Hospital. Salary is hourly with benefits for full time including vacation, CME and 401K benefits. Busy practice in a friendly, supportive work environment.

Primary Job Duties:

- Pediatric Nurse Practitioners perform complete physical exams and assessments of patients including urgent and non-urgent presentations.
- Select, order, perform and interpret tests, analyses and diagnostic images to provide information on patient condition and augment physical findings.
- Analyze reports and findings of tests to diagnose patients.
- Prescribe or administer treatment, medication, and other specialized medical care to treat and/or prevent illness and injury.
- Perform procedures including suture removal and immunizations.
- Initiate referrals to medical specialists.
- Explain procedures, test results and prescribed treatments with patients and parents.
- Notate findings and treatment course in patient's electronic chart, including follow-up notes.

Job qualifications:

- Master's degree in nursing with a concentration in a pediatric practitioner program (ANCC certified)
- Actively registered and licensed as registered nurse and advanced registered nurse practitioner in the state of Illinois
- Active DEA registration and license
- BLS certification
- Knowledge of JACHO accreditation requirements and state and federal regulations including OSHA, HIPPA, blood borne pathogens and others
- Competence in electronic medical records
- Understanding of medical billing and coding
- Up-to-date immunizations including Tdap and Hepatitis B
- Must maintain professional, clean appearance and attire.
- Ability to supervise, train and evaluate new and current provider staff.
